

RELEASE OF RESIDENT STUDENTS

A student who resides within the boundaries of the district will be released to attend school or file the parental declaration of intent to provide home-based instruction and enroll for ancillary services, if any, in another district that agrees to accept the student if:

- A. A financial, educational, safety or health condition affecting the student would be reasonably improved as a result of the transfer;
- B. Attendance at the school in the nonresident district is more accessible to the parent's place of work or to the location of child care;
- C. There is some special hardship or detrimental condition affecting the student or the student's immediate family which would be alleviated as a result of the transfer. Special hardship or detrimental conditions include a student who becomes a resident of the district in mid-year. Such a student may apply for a release to complete the current school year only in his or her former district of residence, if transferring mid-year would create a special hardship or detrimental condition; or
- D. The student is a child of a full-time certificated or classified school employee.

In all cases that the district approves the release of a resident student, the student or the student's parent(s) will be solely responsible for transportation, except that a student may ride on an established district bus route if the superintendent determines that the district would incur no additional cost.

A parent or guardian shall request the release of his/her child by completing the appropriate district form (P3015-F), including the basis for the request. The superintendent shall sign the form and send it to the non-resident district, along with a copy to the parent/guardian.

Subsequent to the initial approval of release of a student to another district, the Riverview School District shall accept interdistrict renewal letters from that district as documentation of continuation of the named student's release.

If the request is denied, the superintendent will notify the parent of the right to petition the board, upon five school business days prior notice, for review of the decision and to have a hearing before the board at its next regular meeting. Following the hearing by the board, a final decision will be promptly communicated to the parent in writing. If the request for release is denied by the board, the written decision will inform the parent or guardian of the right to appeal such decision to the superintendent of public instruction.

Each school district board of directors annually will inform parents of the district's interdistrict enrollment options and parental involvement opportunities. Information on interdistrict acceptance policies will be provided to nonresidents on request. Providing online access to the information satisfies the requirements of this policy unless a parent or guardian specifically requests information to be provided in written form.
